

Willow Ridge in Bluffton

Featuring the *newest* philosophy
in nursing home care!

Willow Ridge is a community of small nursing homes designed to look and feel like real homes.

The people who live at Willow Ridge, Elders, are the STARS of our homes!

Inside the Homes

Elders rooms are private with private baths/showers and common areas for a family atmosphere.

Living Proof

Elders have four times more personal and social contact than in a traditional nursing home.
