Thanksgiving Dinner!

It's that simple!

We'll provide everything you need to create your
turkey dinner...okay maybe you need to provide the
stove or grill and the pans.

Did I say EVERYTHING?!

...oh yea I'm sure you have salt and pepper right?

Thanksgiving Dinner Menu:

- 10/12 pound Fresh, Never Frozen Turkey
- Green Bean Casserole
- Mashed Potatoes and Gravy
- Candied Sweet Potatoes
- Noodles
- Stuffing
- Salad
- Dinner Rolls
- Your choice of FRUIT PIE!

Why go to the grocery store when you can get everything you need from THE DOUGH HOOK?!

Our Thanksgiving Fresh Meal includes a FRESH, NEVER FROZEN TURKEY that you'll prepare into a juicy, delicious roasted turkey! (My mouth is watering by just typing this...) I'll give you some great flavor boosters to place inside this bird!! You're gonna LOVE it!

You'll prepare some tasty sides like green bean casserole, mashed potatoes and gravy...the gravy is made from your turkey drippings. This meal also includes my favorite candied sweet potatoes which are made using brown sugar, butter and marshmallows! I love this noodle recipe as they are a buttery, chicken flavored noodle. (I like to "accidentally" let them mix with my mashed potatoes.) The stuffing will be made in the oven versus inside the turkey and we'll make our DELICIOUS dinner rolls (IT'S ALL ABOUT THE DINNER ROLLS!!)

Then, we can NEVER forget the dessert!!

You'll get to choose your fruit pie!!

*Pick up for this meal will be the Tuesday or
Wednesday prior to Thanksgiving. This will replace
our weekly fresh meal menu for that week.*
