## What is Rotary?

Founded in Chicago in 1905 as the world's first volunteer service organization, Rotary quickly expanded around the globe. Clubs meet weekly for fellowship to discuss local and global topics. Clubs are nonreligious, non-governmental and open to every race, culture and creed.

Rotary club members are business and professional leaders who volunteer in their communities and promote world understanding and peace. Rotary's 31,000 clubs in more than 165 countries and regions encourage high ethical standards and carry out humanitarian projects to address such issues as poverty, health, hunger, education and the environment.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: the development of acquaintance as an opportunity for service;

Second: high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: the application of the ideal of service in each Rotarian's personal, business and community life;

Fourth: the advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotarians worldwide follow The Four-Way Test in their business and professional lives.

The Four-Way Test

Of the things we think, say or do

1) Is it the TRUTH?

2) Is it FAIR to all concerned?

3) Will it build GOODWILL and BETTER FRIENDSHIPS?

4) Will it be BENEFICIAL to all concerned?

What is Rotary? Rotary is Service Above Self.
