JOIN OUR TEAM AS AN

Extension Educators Coordinator 3

4-H Youth Development	Hancock County

POSITION HIGHLIGHTS

The primary role of the Extension educators coordinator 3 in Hancock County is to provide 4-H youth development stakeholders with research-backed information that will better their livelihoods. This includes, but is not limited to:

- Developing, planning, and assisting in delivering educational programming (formal and informal).
- Collaborating with the Extension educator to market and promote programming through social media and other outreach tools.
- Assisting the educator to build relationships with community partners and help work with committees and groups.
- Working with local and state-level Extension professionals to make resources and research available to members of the community.
- Assisting in identifying community needs and providing information or programming to address them.
- Leading programs consistent with the AA/EEO policy of OSU Extension, the outreach arm of the College of Food, Agricultural, and Environmental Sciences.
