

MIG WELDER

Diamond Manufacturing of Bluffton, an Equal Opportunity Employer, is looking for MIG Welders with the following qualifications:

Applicant must possess knowledge of MIG welding procedures – Ability to use fixtures – Must be proficient in reading tape measure – Must be able to pass welding test consisting of setting up welder, vertical up, down, and horizontal welding, weld wraps, ability to close the gap and overall weld – Observe all plant and safety guidelines.

Diamond Manufacturing works a four (4) day/10-hour work schedule Monday through Thursday. If necessary, overtime work is scheduled on Friday. **Starting pay for welder is between \$17.00 and \$20.00/hr. based upon weld test results and relevant experience. Pay increases at 6 months, 12 months and annually thereafter.**

Please apply in person at 505 E. Jefferson Street, Bluffton, OH 45817.
