Lulu's diner was created in honor of my grandmother Linda Louise Miller, better known as Grandma LuLu. My grandmother was a passionate and strong woman. She taught me to work hard, have faith and give back to your community. When I was younger my grandparents took us on a trip across country, and on that long trip my grandmother and I planned our restaurant. We took a lot of ideas from the many restaurants we stopped in. Our plan was to have a cute little diner where you could be served at the counter. On the other side of the counter was ice cream. I know how to do diners, maybe ice cream will be my next adventure. I miss my grandmother deeply but I know she is watching over me. Grandma LuLu this one is for you. This diner would not be possible without the love and support of our family and friends.

Thank you everyone for standing behind us. - Justin & Amy Musil
