RECYCLING GUIDELINES

Republic Services will be providing you a green 65-gallon recycling cart to place and store your recyclables for collection day. Set your recycling material at the curb, next to your trash on the regular collection day in your area. It is only necessary to place your recyclables out at the curb when your container is full. Most of the time, this can be done every other week.

Some of the items we will take in the Recycling Program are:

Glass food/beverage Bottles & Jars	Newsprint
Aluminum cans	Old Corrugated Boxes
Bi-Metal Cans	Cardboard
Steel Cans	Waste Paper
Plastic food/beverage containers #1-7	Milk Jugs and Cartons

It's a good idea to place any shredded paper and plastic grocery bags in another container within the recycling cart. That will keep material from blowing out of the container or truck during dumping.

ITEMS NOT PART OF OUR RECYCLING PROGRAM:

Aerosol Cans	Light Bulbs
Batteries	Mirrors
Pyrex	Oil/Paint
Window Panes	Ceramics
Windshields	Crystal
Metal Caps	Glass Doors
Hazardous Chemicals	Wood

Many times residents will replace washers, dryers, stoves, freezers and refrigerators. The stores selling the appliances will pick up your old appliance many times. If not, please call Customer Service at 1-800-491-1115 at least 24 hours prior to your collection day and we'll let you know if there are any special instructions prior to picking them up. This holds true for sofas, chairs, mattress sets and all types of large bulky items.
