Founding Mothers Dedication Wall

Webster defines a mother as “a female parent: a woman in authority: the superior of a religious community.”

We know mothers as so much more. They are the kiss to the bruised knee, the cup of hot chocolate after playing in the snow, the loudest cheerleader on the sideline and a word of encouragement on a rough day.

Celebrate mothers this Mother's Day.

*“There are two lasting bequests we can give our children. One is roots. The other is wings.”
– Hodding Carter*

Make every day Mother's Day. Honor or remember a mother in your life by recognizing her as a Founding Mother. Your honoree will receive a permanent butterfly on the Founding Mothers dedication wall to be located in the maternity department at Bluffton Hospital, and she will be celebrated in an ad in the Bluffton News for Mother's Day. You will also receive a beautifully packaged butterfly charm to present to your mother on her day.* Each charm is crafted by local artist Kat Luginbuhl for our Founding Mothers. Charms will be ready for pick-up beginning Monday, May 8.

*Form must be received by April 26 to receive charm in time for Mother's Day and be included in the Bluffton News ad.

Honor a mother in your life for providing roots and wings.

Butterfly will be inscribed with the first and last name of your mother

____ I understand for a monthly gift of \$100 for 12 months, a butterfly with the designated name will be placed on the roots and wings Founding Mothers display at Bluffton Hospital, and I will receive a butterfly charm necklace.

*Donations may be made monthly or as an outright gift.
