

NEW *in Bluffton* **TRANSITION TO HOME REHABILITATION CENTER**

Mennonite Memorial Home in Bluffton is opening a new, state-of-the-art *Transition to Home* Rehabilitation Center!

Mennonite Memorial Home (MMH) enjoys a 20-year partnership with Northwest Physical Therapy to provide comprehensive physical, occupational, and speech therapy programs. Their highly skilled care is provided by local health care professionals that are known and trusted throughout the community.

In addition to therapy, MMH provides other clinical services such as feeding tubes, short term tracheotomies, and complex wound care under the direction of a wound care specialist.

AMENITIES:

- *On-sight Physical, Occupational, and Speech Therapy*
- *Private Rooms, each with a private bathroom*
- *Whirlpool tub*
- *Wi-Fi Access*
- *Medicare and most Medicare Advantage Plans*
- *Large, new, state-of-the-art therapy room with a "just-like-home" full kitchen and bathroom for Occupational Therapy programs*
