The Heart of Rock and Roll is more than just a prom - it's going to be an unforgettable experience for everyone involved. This event is not a church event; it's a *community event* for guests ages 16 and older. Our mission is to provide our guests and their families with a night that they will *never forget*.

The Heart of Rock and Roll includes a full-scale prom for teens and adults with Intellectual and Developmental Disabilities in our community.

Formally-attired guests arrive on the red carpet and are escorted by volunteers who help them with make-up, shoe shines and photo opportunities. It will include an evening of dancing the night away with their friends. Caregivers and family are also invited. This evening is provided at no cost to our honored guests.
