Help make our dream for a Bluffton Heritage Center a reality!

What: A Bluffton Heritage Center in downtown Bluffton.

Background: The Swiss Community Historical Society board provided seed money to explore this idea. The Center will be distinct from the more rural Swiss Settlement. It will be a separate organization from the Society.

Emphasis: Bluffton's education, industry, arts and crafts, religious life, significant events and its people. It will also house Bluffton collections and memorabilia.

Vision: The Center will be a non-profit, permanent institution. It will acquire, conserve, be a research center, communicate and exhibit historical objects for study, education and enjoyment.
