

ICYMI: September 2025 Bluffton Icon Highlights

SECTION: [ICONOCLAST VIEW](#) / OCT 02, 2025

Dear Icon Highlights readers,

Welcome to the 6th monthly issue of a print version of the Bluffton Icon that is being distributed to our local libraries and a limited number of locations for in-house use. Highlights are a small slice of what appears online. In September 2025, we published 182 news items on BlufftonIcon.com!

As we enter the last quarter of 2025, the community is abuzz with talk of Halloween, Thanksgiving and even Christmas. In this issue, you'll find information about several Bluffton Public Library programs, a new artificial turf field being installed at the Bluffton Public Schools campus, a major acquisition by the Bluffton Ohio Historical Society that emphasizes the organization's interest in establishing a museum and the continued growth of the Bluffton Fall Festival, which celebrated its 20th year.

My "Iconoclast View" article notes that this is my 4th anniversary at the helm of the Ada and Bluffton Icons. Those years have flown by! I am always ready to put more Bluffton in the Icon! If you are interested in freelance opportunities as a writer, reporter or photographer, please reach out to me.

Have ideas for Icon content? I'm all ears!

Best regards,

Paula Scott

Bluffton Icon and Ada Icon editor
