See the brochure at the Senior Center for details. Tour by World Wide Country Tours.

September ... Renaissance Festival

MEMORIALS

Memorial Gifts were given to the Bluffton Senior Center in loving memory of **Thelma Bowersox** from **Dick & Betty Cookson, Phyllis Suter, The Curling Iron, Paul & Deb & Karin Schaller, Linda Ewing Thompson, Keith & Dawn Wiant, and Geniece King.** The gifts are recorded in our MEMORIAL BOOK along with **Thelma's name** for all to see how much she meant to us.

NOW ON EMAIL

We know some Senior Citizens don't want to touch a computer with a 10 foot pole. But we also know that some Senior Center members have as much or more computer knowledge than the staff here at the Senior Center. Sending out our monthly newsletter via email will save the Senior Center money in printing cost and postage. Receivers of email newsletters will receive them earlier than those receiving it by "snail" mail. If you would like to receive your newsletter by email, send your email address along with the name on the newsletter to srcenter@wcoil.com.

VOLUNTEER OF THE YEAR

The Board of Directors have awarded the VOLUNTEER OF THE YEAR to **Esther Neff.** **Esther** volunteers five days a week most weeks and helps out the staff in many ways. Because the December Dinner Meeting was cancelled, the award was presented at the Christmas Party on Wednesday, December 15th by **Geniece King**, secretary of the Board. SEPTEMBER 9.....WILDS TRIP

The small bus of Bluffton Senior Center spent the morning delivering a full bus load of nature loving folks to southern Ohio near Cumberland, Ohio. During that long journey, we were transported to a different world as we approached "The Wilds" where rare and endangered species make their home and wonder free on the restored grasslands. Were we in Africa or Asia? Had we just gone to the plains of western U.S.? The wilds located on reclaimed coal mining lands is now home to creatures from around the world, many of which no longer live in their home lands. We kept our eyes open for large gray rocks with ears, which you may have guessed were Rhino. Around the corner we were back in the U.S. looking at a herd of bison. We had giraffe walk up to our bus and decide we were nothing they wanted to eat. Rare Carnivores also make their homes at the Wilds and of course a fence kept them from us as we surely would have made a good meal. Our guide educated us on conservation, restoration, research, and shared animal facts about the indigenous species. Many from around the world visit and study there to learn about their own animals which are extinct in their home lands. It was an honor to witness such an extraordinary site right here in Ohio

5 B's Embroidery Factory of Zanesville was our next destination. Here the Biles family welcomed us to an all Ohio Industry famous for decorating our hats, shirts, jackets, and any other fabric items. The factory derived its name from the fact that 5 members of one family built up this business. Over the years, 28 family members became involved. It was interesting to hear how a home based business on a home sewing machine developed into a million dollar industry. As we heard the story unfold, we realized we were witnessing the evidence of what has happened to American Industries because of our global trade agreements in recent years. We watched the sewing heads as they and computers to create beautiful designs. No day would be complete without some shopping, so many visited the store to purchase shirts, hats, and jackets with 5 B's embroidery. A good meal and a pleasant drive home ended our educational trip to the hills of southern Ohio.
