

## OVAL Spring 2020

Thursday, March 26 at 10 a.m., Fran Core will present "Around the Tip of South America." Come and see photos of the tip of South America from a cruise ship. Sailors at one time thought it was impassable. Fran can tell you otherwise. Free and open to the public.

Thursday, April 9 at 10 a.m., Adrianna Wise of Lifeline of Ohio will present "Donate Life at Any Age." Come and learn some of the science, statistics and an overview of donating organs and who is a good candidate to donate. Free and open to the public.

Thursday, April 16 at 10 a.m., Sarah Rish from the Allen County Historical Society and Museum will present "What is it? Tidbits of History." Come and see if she can stump you as she shows items from history and tells of their uses. Free and open to the public.

Monday, April 20 at 10 a.m., Ann Stratton will present "Little Known Facts of the Civil War." Think you know history? Ann will share fun, interesting and many unheard-of tidbits from history. Free and open to the public.

Thursday, April 30 at 1 p.m., Tonya will present "Harriet." The movie "Harriet" tells the thrilling and inspirational story of Harriet Tubman's escape from slavery and transformation into one of America's greatest heroes. Popcorn will be served. Free and open to the public.

Monday, May 4 at 10 a.m., Carolyn Rich will present "Nepal, It's People and Culture." Discover this exotic country through the eyes of someone who has been there. More than a travelogue. Learn about the people and culture of this important country. Free and open to the public.

Thursday, May 14 at 9:30 a.m., HW Enderle will present "Mental Math." Don't reach for the calculator! Come learn when a reasonable estimate is as good as a whole row of digits. When is 3 a good estimate of Pi? Were you marked for life by a slashing BIG RED X in about the third grade? Come have some fun and learn tricks in addition, subtraction, multiplication and division! Free and open to the public.
