TUNE IN WITH SONG

David Rothen 1805-1853

1. Sing now a song. The new year comes along.
Dear friends join in and happy be,
For God is great and good to thee; Sing now a song.
2. In this new year; In this approaching year,
Good fortune, blessings great and small,
To body, soul, and Spirit all; In this new year.
3. In this new year; Draw there no danger near,
The Lord your shield and refuge be, And
blessings from His Word to see, In this new year.
4. Grace be with thee; Salvation full and free,
Our wishes are for young and old, That blessings
may be many fold; Grace be with thee.
5. Praise ye the Lord, Praise ye the blessed Lord,
That He us to this day hath brought, In mercy
love and kindness bought; Praise ye the Lord.
