# Summer Enrichment Program

**Open to Children Ages 5 through 12!**

Our Summer Enrichment Program, specially designed for school age children, will help prevent summer boredom blues! Our weekly curriculum will allow kids to explore various occupations and have hands on experiences that will keep their minds active!

We will immerse the kids in various projects, games, small and large group activities, field trips....and of course, just plain ole' summertime fun!!

A full summer commitment is not required. You may sign your child up for their favorite week/s.

**Sign up at the Open House—Waive the \$35.00 Registration Fee!**

**Contact Heather Sanchez at 419-384-3220 to reserve your spot!!**
